## WAC 434-262-075

## Election of political party precinct committee officers.

(1) Candidates for precinct committee officer file and appear on the ballot as members of a major political party. The election of political party precinct committee officers is not conducted according to a top two primary established by chapter 2, Laws of 2005 (Initiative 872). Candidates must make a public declaration of party affiliation in the form of a precinct committee officer declaration of candidacy. Write-in votes cast for an individual who has not filed a write-in declaration of candidacy shall not be counted. The candidate of each political party who receives the most votes in the August primary election is declared elected.

(2) RCW <u>29A.80.051</u> includes a requirement that, to be declared elected, a candidate for precinct committee officer must receive at least ten percent of the number of votes cast for a candidate of the same party who received the most votes in the precinct. This requirement for election is not in effect because candidates for public office do not represent a political party.

Dated this 1<sup>rd</sup> day of September, 2010.
