Having considered the evidence presented by the parties in this appeal, the Board of Equalization hereby:

Sustains the determination of the Assessor in the removal from Current Use Farm and Agriculture classification.

This decision is based on our finding that:

Appellant is not in compliance with RCW 84.34.20.200 (2)(n) which states farm land must be farming for commercial purposes. The appellant has not provided clear, cogent and convincing evidence which would show the removal to be incorrect.
