Senator Shelly Short
Washington State Senate
PO Box 40407
Olympia, WA 98504-0407

Dear Senator Short:

We, the Board of Commissioners of Pend Oreille County, strongly oppose Senate Bill 6321 regarding the PUD Privilege.

The fire districts presently have a contract with PUD for providing services. Adding fire districts to the distribution of funds received for PUD Privilege Tax would either allow the districts to get paid twice for services rendered or PUD would eliminate the contract. Either way, the county current expense fund will see a loss. Pend Oreille County has enacted a road levy shift the past two years in order to balance the budget.

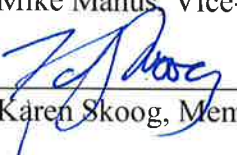

Thank you for your attention. We appreciate your opposition to this proposed legislation.

Sincerely,

PEND OREILLE COUNTY
