

Aquatics & Pend Oreille River Cost Share

What is the Pend Oreille Cost Share Program?

The Pend Oreille Weed Board partners with the Public Utility District. PUD provides funds to be distributed through the neighborhood cost share program, however, this is for work that takes a non-herbicide approach to control aquatic noxious or nuisance weeds in the Pend Oreille River it is reimbursed at 100% with a maximum reimbursement of \$500.00/individual and \$1000.00/group.

Who Can Get Involved?

Only Landowners with property ownership along the Pend Oreille River (Box Canyon Reservoir) may participate in the program.

How Can I Get Involved?

Applicants must apply using the Aquatic Neighborhood Cost Share Application. There are a limited funds every year and are fulfilled on a first come first serve basis. You can make sure to get first access to these application by registering and attending the annual NCS Workshop (in March). Applications are released at the end of the workshop.

Missed the NCS Workshop but interested in learning more? Attend the annual Aquatics Management Workshop (in July)!
