Weed Board Meetings

Please visit our [Meetings](#) page for upcoming and past meeting information.

Neighborhood Cost Share Workshop

The Neighborhood Cost Share Workshop is a weed seminar with you in mind! Every March or early April Pend Oreille Weed Board puts on this workshop. Come learn how to handle your pesky weeds from pastures, forest and even aquatic weeds! This workshop is also popularly known for being an early release to submit your application for the Neighborhood Cost Share program!

Aquatic Workshop

The Aquatic Workshop is put on by the Pend Oreille Weed Board. At this Workshop we talk about a big concern for this county. Aquatic Weeds! We talk about Flowering Rush and its growing danger to our county as well as other aquatic weeds we want to get rid of! This is one seminar you don't want to miss!

Calibration Workshop

Held in the spring following the NCS workshop, this workshop covers tank mix procedure, importance of water testing, proper application, spray nozzles, spray pattern, cleaning equipment, and more, with a live demo of backpack sprayer calibration.

LEARN TO IDENTIFY &
REPORT PLANTS TO
PROTECT THE TRAILS!

WEED WEDNESDAY WALKS

June 05 | 3pm

June 19 | 9am

July 03 | 3pm

July 17 | 9am

July 31 | 3pm

Aug 14 | 9am

Aug 28 | 3pm

Sept 11 | 3pm

MEET AT UPPER WOLF
TRAILHEAD ON
LAURELHURST DR

BRING: WATER, STURDY
SHOES & INTERNET DEVICE

*family
friendly!*

Weed Wednesday Walks

**Join the Weed Board on a casual
Weed Walk every other
Wednesday through the summer
at the Upper Wolf Trailhead in
Newport!**

Our Weed Board Member or staff will teach participants to identify common plants on the trails, how to report (or identify) sightings using online tools, then set you loose to explore!

Please bring sturdy walking shoes, water & an internet accessing device (if available). Walks are family friendly, so bring the kids and the grandparents!
