***A mental health crisis is a situation where an individual's emotions, thoughts and behaviors put them at risk of harming themselves or others.

A crisis can also be defined as a person who is unable to care for themselves; access shelter, food or even clothing.

These situations can surface anywhere to anyone; mental health conditions do not discriminate.***

Please note that the crisis line is not intended for use as a line to leave messages. You may leave a message by calling our office at 509-447-5651.
