

# WISe Services

**WISe is a voluntary service that takes a team approach to meeting your needs.**

**It provides intensive mental health services to support you and your family in reaching your shared vision for a healthy and happy life.**

## Eligibility Criteria

- Youth has a mental health diagnosis.
- Youth is covered by Medicaid.
- Youth must be under the age of 21.
- Family and youth are voluntarily willing to participate.
- Past and current services have been unsuccessful, and youth and family are in need of a creative, high-intensity program.

## The WISe team consists of:

- Mental Health Counselor

- Care Coordinator
- Youth Peer Support
- Family Peer Support
