

# Public Works Call for Bids / Proposals

Pend Oreille County partners with the MRSC (Municipal Research and Services Center of Washington) to provide our roster of Consultants, Vendors and Contractors. The MRSC has a paid option as well as a no-cost option for registration as a business in one of these categories. Please visit the [MRSC website](#) for information on how to become registered.

**To be registered as a Planholder, please submit email from link provided below the project. Registered Planholders will be notified by email with any addendums or changes. It will be the responsibility of non-registered holders to check for these changes on this page.**
